SOCIETY

A Song In Spring

At hint of Spring I have you back again—
The blush of apple-blossoms on the bough,
A scent of buds far sweeter for the rain. . . .
At hint of Spring I have you back again,
And all of time is lost since then and now.

Your voice is hidden in the thrush's song,
And in the south-wind's slumbering refrain;
You needs must come, love is so very strong,
And we who found each other veiled long—
At hint of Spring I have you back again!

PARTIES AND DINNERS.

Miss Laura Maud Fink very delightfully entertained the girls of the Phi Phi club on Saturday afternoon at a luncheon. The table held a handsome drawn work center piece, on which was a cut glass vase filled with pink roses. The silver candlesticks were shielded with red cut leather shades, lined with silk and the place cards were tied with red and green ribbon, the club colors.

And Soon Cured Perfectly and Economically—Doctor Called It Eczema and Little Sufferer Rubbed and Twisted All the Time.

**CUTICURA AGAIN PROVED
"THE GREAT SKIN CURE"**

"My baby boy was about nine months old when he had a breaking out on his neck which was very annoying. It used to make him very fretful and cross because it seemed to worry him so much. In the meantime I was sick myself. I had my doctor look at the baby and he told me it was eczema and he wanted to treat it. But a friend of mine told me she knew it could be cured cheaper than any doctor could do it for and in much less time. So I started using the Cuticura Soap and Cuticura Ointment which I soon found out was what I ought to have had before, for the eczema seemed to itch so the baby could not keep his head still for he was rubbing and twisting all the time. I used the Cuticura Remedies about three times the first day and began to notice the good it was doing, for he began to get rest from rubbing his neck. So I used three cakes of Cuticura Soap and two boxes of Cuticura Ointment and now no one could tell that he ever had any kind of breaking out, and since then I have never been without the Cuticura Soap nor the Cuticura Ointment. Mrs. Lula Dorsey, 12 Browns Ct., S. W., Washington, D. C., Oct. 2, 1909."

MODART
Corsets

"The Improved Front-Laced"

The success of this great exposition borders on the phenomenal. It has surpassed all established records for heavy selling in our Corset Section. The fame of this new corset sensation has each day drawn to our store new visitors, who, after a fitting by Miss Hammond, the expert in charge, immediately became converts to the "Modart Way."

The front lacing idea, which has been so successfully worked out in these beautiful corsets, is beyond question the only correct method of corset adjustment. It furnishes support for the abdomen, such as is impossible to obtain otherwise, and also provides for unrestricted breathing and consequent chest development to an extent that readily recommends itself to those who have due regard for health and comfort.

Consult Miss Hammond and see what comfort and style you can gain by adopting the "Modart Way."
